### FURNITURE DESIGN CONTEST

# amalgamate

**Amalgamate is the 43rd Formabilio furniture design contest dedicated to designers and design enthusiasts worldwide.**

#### ● WHO?

The international furniture design competition is open to everyone provided that he/she is **over 18 years of age**.

#### ● WHAT CAN I DESIGN?

A powerful and ancient material, this is ceramic, born from the union and blending of our own planet basic elements: earth, air, fire and water. A material with a strong creative power, flexible ductility and solid character forged by fire. Nevertheless, it maintains its fragile spirit and becomes precious. Combine these features to your creativity, rethink its function in a new way, use it as main element and protagonist of furniture elements, accessories and lamps.

#### ● WHAT WE WANT

Basically, suggest projects

- which fall into the furniture, lighting and furnishings and vases categories (NO clocks, gifts, accessories, children toys and furniture, cooking utensils etc.);
- that are mostly made of ceramic (with different color and decoration options, gloss/matt finish);
- for any secondary material you can use solid wood, wood panels, upholstered furniture with various finishes, metal sheets manufacturing through cold stamping, 2d and 3d laser cut – used by our companies (so no 100% wood, fabric, glass, plastic, marble, rock, Corian, etc...).
- that can easily be packaged with packaging of up to 230 cm in length and weighing up to 30 kg each per package;
- that can be easily assembled and installed by the buyer;
- that are eco-design inspired.

#### ● HOW CAN I PARTICIPATE?

Send your project **online**, free of charge. Enter as SINGLE USER, COMPANY or GROUP.

[www.formabilio.com/contest](http://www.formabilio.com/contest)

#### ● WHEN?

PROJECT CANDIDACY from 10.00 am CEST on January 8th 2015 to 6.00 pm CET on February 16th, 2015.

ONLINE VOTING ENDS At 6.00 pm CET on **February 23rd, 2015**.

ANNOUNCEMENT OF WINNERS By **March 26th, 2015**.

#### ● WINNERS

The Technical Committee will select at least 2 projects to prototype as well as sell on the formabilio.com website. We highly appreciate the opinion of our users, therefore, at least one of the projects chosen by the Technical Committee will be selected from the group of 10 projects that received the highest rating from the community.

#### ● PRIZES

The Designers of the winning projects identified by the Formabilio jury will be entitled to a **7% fee** on the sale of the products found on Formabilio.com.
